

BIDDING PRAYERS CHRIST THE KING B 2021

PRIEST Our Lord showed us that to reign is to serve. We pray that through our service of others Christ's kingdom will spread in the world.

READER

The response to **Lord, hear us** is: **May Your kingdom come.**

For our Holy Father Pope Francis ... that God will sustain him in loving service of the Church... In our diocesan prayer we remember Fr Heakin and the people of St Mary's, Langho, and St Mary's, Osbaldeston, with their primary schools, high school and local hospital ...

Lord, hear us: May Your kingdom come.

For the nations of the world, who oppose each other in armed strength ... that they will seek for true peace ...

Lord, hear us: May Your kingdom come.

For our own country, and its future ... that Christ's kingdom may be formed in our homes ... in our families ... in our schools... in our laws and customs ... in all the ways we think, and speak, and act ...

Lord, hear us: May Your kingdom come.

For our young people ... that they will listen to Christ inviting them to follow Him ... and that they will be generous in their response ...

Lord, hear us: May Your kingdom come.

We pray for those who are ill or infirm: LORETTA ALLEN;
