

Bishop Visits Our Lady of Grace RC Primary School, Prestwich

The Right Reverend John Arnold, Bishop of Salford, visited Our Lady of Grace RC Primary School, Prestwich, Manchester on Wednesday 8th November.

This special visit was all due to the completion of the brand new Early Years Centre catering for Nursery and Reception children.

The whole school community joined the Bishop in celebration through prayer and beautiful singing.

Bishop John Arnold led a procession which included Parish Priest Rev. Monsignor John Allen, Rev. Richard Dearman, Governors, Staff, Diocesan Representatives, Architects and the newly commissioned Pupil Chaplains.

The new centre was then officially opened and blessed by The Right Reverend Bishop John Arnold followed by tea and cake for all involved in the success of the project.

The day was a wonderful celebration for the school. Mrs Casey, Headteacher said, "The only aspect of the day we couldn't be sure of was the weather. Fortunately we had sunshine and blue skies - it was a beautiful day described by many as perfect. We are very grateful to Bishop John for all his support and making the day so memorable."
