

Fairtrade Goods for Sale

Our Lady of Grace Parish, Prestwich

Because of the coronavirus pandemic, we have been unable to hold our monthly sale of fairly traded goods since March 2020. But the need to support Fairtrade is even greater, because the pandemic is having a huge impact on poor communities around the world. Fairtrade means that small farmers and producers in some of the poorest nations are paid a fair price for their produce, and also get a Fairtrade premium to help with community projects.

If we can't hold stalls for the time being, we can still support Fairtrade in the parish. We are happy to deliver goods to parishioners' homes, free of charge. Just complete the order form overleaf, and send it to **Vin Allerton, 34 Poppythorn Lane, Prestwich, Manchester M25 3BY** (or drop it in to the Presbytery). We will deliver at a time convenient to you, and you can pay for the goods online or in cash on delivery.

If you would like a copy of Traidcraft's new Christmas 2020 catalogue, tick the box.

We will be happy to order goods from this catalogue for you – there's a whole host of ideas for Christmas gifts.

Don't forget that any profit we make on sales of Traidcraft goods will be given to CAFOD to support development work in many of the poorest parts of the world. Last year, we were able to send £916.80 to CAFOD.

Vin Allerton,
34 Poppythorn Lane,
Prestwich,
Manchester M25 3BY
